Lesyani Marrero Medrano

Full-Stack Web Developer

✉ mariamarreromedrano@gmail.com ✛ https://github.com/MariaL2000

PROFESSIONAL SUMMARY

Full-Stack Web Developer with 2+ years of experience specializing in Python, Django, Flask, FastAPI, and React. Skilled at building scalable, secure, and user-friendly web applications with clean, maintainable code. Passionate about responsive design, intuitive UI/UX, and delivering impactful digital solutions.

EXPERIENCE & PROJECTS

Freelance Full-Stack Developer

(2022 – Present)

- Delivered 25+ full-stack projects for clients, including e-commerce platforms, business dashboards, and portfolio websites.
- Designed and implemented secure back-end systems with Django, Flask, and FastAPI.
- Built responsive, dynamic UIs using React and Tailwind CSS.
- Improved performance and scalability of applications, reducing load times by up to 40%.
- Collaborated with clients to enhance UI/UX, resulting in higher user satisfaction (+15 satisfied clients).

Personal Projects

- Created prototypes and design systems in Figma and interactive 3D models in Blender for enhanced user experiences.
